2 November 2018

From the Head of College

The College hosted two wonderful liturgical celebrations on Wednesday. We were pleased to welcome Bishop Michael McKenna to commission 19 Stannies young men as Ministers of the Eucharist in the College Chapel. The Bishop spoke warmly to our Year 11 group about the responsibilities and opportunities within the role of Eucharistic Minister and concluded by emphasising what a beautiful space the College Chapel is for prayer and reflection.

On Wednesday evening our Boarding family were joined by members of the Bathurst community for the initial Devotion to Our Lady of the Miraculous Medal. It was lovely to meet again with attending Stannies Old Boy parents and to welcome friends, old and new. The evening was also well supported by Year 12 Boarders in Cantor Group and it was great to have them join us recognising that next week their school days will come to a close.

A consistent feature of both celebrations was the magnificent singing in our Chapel by the Stannies men, this is one aspect which makes being part of the Stannies community so special. Great thanks especially to Fr Peter Reedy for presiding at both services, to Mark Elliott for the organisation of these celebrations and to Victoria Roth and Gaby Fahy for the wonderful music. A delicious lunch was enjoyed after the Commissioning Mass for which we thank our wonderful Kitchen staff led by Donna Bloomfield.

Stannies welcomed close to 100 students across last Sunday and Monday for our 2019 Orientation programs. On Sunday the new boarders for 2019 and some of their families joined us for an opportunity to experience important aspects of boarding life including attending the Boarding Mass and an evening meal. On Monday the 2019 Year 7 students joined us for a day of excitement embracing a variety of technology opportunities offered at the College followed by information sessions held in the Performing Arts Centre for parents. Many thanks for the fantastic organisation of the day by Director of Curriculum, Virginia van Gend and Year 7 2019 Year Coordinator, Kate Bonny. Thanks also to the teaching staff supporting the day: Michelle Enright, Michael Pugh, David Glasson, Shane Thurston and Eugene Floyd, the catering staff led by Donna Bloomfield and Karl Bringolf and the many Stannies students who provided outstanding support throughout the day. The evening presentations from Mrs Lang, Mrs Hughes and Ms Bonny were superb where they presented the case for positive boys education based on the ideals of the Vincentian Charism producing engaged learners for the challenges of the 21st Century.

The HSC concludes next Friday 9 November with the Drama exam. The Stannies candidates have been exemplary, working right up until the end of each examination at full throttle! A number of Stannies staff are marking the 2018 HSC including Virginia van Gend, Alex Clements, Mark Elliott, Eugene Floyd, Victoria Roth, Shane Thurston and Kate Welsh. HSC marking is one of the most instructive experiences for Teachers to undertake (despite a significant impact on the families for regional NSW Teachers) as it provides an opportunity to meet with colleagues and to gain a deeper understanding of the marking and judging processes.

The Term 4 fundraising focus for the Stannies St Vincent de Paul Society Day School Conference is the Matthew Talbot Appeal. The Matthew Talbot Hostel in Woolloomooloo runs an annual Christmas Appeal which the Stannies community has contributed to generously for many years. This year our Tutor groups will be asked to donate items for Hostel resident hampers as well as more personal presents. Members of the Stannies St Vincent de Paul Society Conference will visit Tutor groups during each week in Term 4 seeking the following items: men's underpants and socks (various sizes); toiletries including: shaving foam, combs, razors, deodorant and shampoo (travel size), toothbrushes, toothpaste and soap; keyring torches; bath towels; caps; packets of playing cards and puzzle/sudoku books; wrapping paper and ribbon. Tutors will retain a collection bag and the gifts will be sent to the Hostel at the end of Term 4. The Stannies St Vincent de Paul Society Boarding Conference are also very active within the Stannies and Bathurst communities this term. Each Monday a willing troupe of conference members, along with group leader Helen Jones, ventures off to visit Bathurst citizens seeking support in their gardens. Additionally, each Friday Ros King organises a group of students from the Conference to visit St Catherine's Healthcare where our young men spend time with residents reviewing recent Stannies news and engaging in other activities.

This week sees the second round of ISA summer sport and the BDJCA Cricket games continuing. The Stannies 1st XI travels to Central Coast Grammar, the 2nd XI hosts Oakhill College while other games are held at Stannies, other Bathurst grounds and Lithgow. A new era in Western Schools Independent sport begins at Stannies on Saturday on the Kooyong Blue courts when Stannies White host Scots ASC Red in Tennis. The very best wishes from Stannies to Scots ASC on your new school sporting endeavours. Stannies also has the pleasure of hosting St Spyridon College in a full round of Basketball in the Stannies Indoor Recreation Centre on Saturday, while Stannies began the 2018-2019 Touch Football competition in fine style last Monday.

There are also many other exciting opportunities for our boys outside the classroom during Term 4. Auditions for the 2019 Musical, *Jesus Christ Superstar*, have been in full swing this Term with great reports coming from staff on the quality and depth of performance. Over 30 boarding students are gathering at the Evan's Bridge on Sunday morning armed with great hope and fishing rods for the annual Macquarie River Carp Blitz. History was made at Stannies this week with the first practice of our newly formed Drum Corps. Specialist tuition is taking place to blend a range of drum types into a slick unit ready for performance in 2019. Musicians continue to strongly support our range of Bands and Cantor Group. SADA continues to provide students with experiences in a range of artistic forms at Stannies and this group will soon begin design and construction of the 2019 Musical sets.

Geoff Melville
Acting Head of College

COLLEGE CALENDAR

NOVEMBER

3 Nov	ISA Summer Round 2
7 Nov	Miraculous Medal Devotions, 7.30pm, Chapel
10 Nov	ISA Summer Round 3

7 Dec	Speech Day, 11am, PAC
	Term 4 Classes Conclude
	Boarders depart after 3.25pm

TERM DATES 2018

Term 4: Tuesday 16 October 2018 to Friday 7 December 2018

CREATIVE ARTS NEWS

Year 11 student George Sargent is playing Prince Eric in Orange Theatre Company's production of *The Little Mermaid*. George has most recently been seen as Galileo in Stannies and Mackillop's production of *We Will Rock You* and Boq in Carillon Theatrical Society's production of *Wicked*.

Eric is a human prince who loves his life on the open water and talks of trading in all his treasures and comforts for the freedom

of the sea. Prince Eric is rescued by Ariel when he almost drowns in a storm at sea. Eric is haunted by Ariel's voice, and vows he will search the kingdom for her.

Rehearsals have been running since late July with three performances left in the season. Tickets are available online <https://premier.ticketek.com.au/shows/show.aspx?sh=MERMAID18> or at the Orange Civic Theatre Ticketek Box Office 6393 8111.

Ms Victoria Roth
Head of Creative Arts

FOUNDATION DRUM CORP

It is with great pleasure that I announce the names of the students in the Foundation Drum Corp for 2018/2019. These students have begun preparations for their first performances and will be allocated a role within the group in the coming weeks. Congratulations to Jacob George, Elijah Hoolahan, Ziggy Marsh, Tom Lynch, Evan Booth, Fintan Sinclair, Angus MacFarlane, Sam Egan, Jack Rotherham, Angus Forsyth, Will Van Gend, Cooper Breen, Angus Lang, Jackson Hodder and Shane David.

The Drum Corp performs with 11 students at a time. Similar to a cricket team, we need more than 11 players in the team for consistency and support among the players.

New students will be accepted into the Drum Corp Group program

in 2019. These players, usually younger students or new students to drumming, will learn the skills required to perform. If you are interested, please email vroth@stannies.com for more information.

We look forward to bringing the first performance to the Stannies School Community.

Ms Roth (Head of Creative Arts) and Millaine Longmore (Drum Corps Teacher)

VISUAL ARTS NEWS

I am often asked by students if I produce any art myself. As a Visual Arts Teacher, I think it important to try and have an art practice and my particular field is painting. The opening of my Show this year occurred on Wednesday, and it was wonderful to have Stannies students and staff attending. This is a series of 15 landscape paintings from the immediate vicinity of where I live, near Millthorpe and the exhibition runs until 5 December at Millthorpe Blue on Pym St. I hope it will inspire others to draw inspiration from that which is around us.

Mr Andrew Orme-Smith
Visual Arts Teacher

SPORT NEWS—CRICKET—PLAYING CRICKET SINCE 1867

Quote of the week (For those players who did not achieve the scores or result they wanted.)

“I’ve missed more than 9000 shots in my career. I’ve lost almost 300 games. 26 times, I’ve been trusted to take the game winning shot and missed. I’ve failed over and over and over again in my life. And that is why I succeed.” Michael Jordan

ISA

The ISA season began last Saturday with our 1sts and 2nds competing in their respective competitions. The 1sts began the season with a win against a resilient Oakhill side. This is a good start for our 1sts, however the word on the street is that it was only a swashbuckling innings from Ryan ‘I refuse to block’ Cooke that got them home. A more consistent and mature batting performance is required in order for them to be a force within this competition. The 2nds came away with a defeat against a strong St Patricks Strathfield XI in ISA Div 2. After being promoted as Division 3 premiers in 2017, the side has noticed the increase in standard. This will hold them in good stead and I am confident that they will rise to the occasion in future games.

BDJCA

Our junior teams are all performing to a high standard. Our 15A and 14A teams achieved pleasing results with solid wins. Stannies is fortunate to have at their disposal many fine coaches throughout our ranks. We are blessed to have several Level 2 coaches, Mr Stephen Cain (14A) and Mr Tony Wells(15A) along with our 1st XI coach Garth Dean. This high level of expertise in our coaching ranks is certainly beneficial for our players to reach their potential.

RESULTS—27 OCTOBER 2018

SSC Team	Opponent	SSC Score	Opponent score	Result	Player of the Week
1st XI -Fisher	Oakhill	158	143	Win	Aiden Macauley 3/15
2nd XI- Elliott	SPC	10/48	10/195	Loss	Ethan Muller 4/26 (10)
4th XI Puddicombe /Hastie	15A SSC	10/123	6/259	Loss on first innings	John Spora 14no Jack Ryan 12no
5th XI Stuart	Rugby Union	5/166	4/157	Won on first innings	Reece Webster 50 & 2/23

SSC Team	Opponent	SSC Score	Opponent score	Result	Player of the Week
14B King	Blayney	6/42	5/192	Loss on first Innings	Iggy Adamson 1/16 (17 runs)
13 White Jessett	RUCC	4/91	5/178	Loss - first innings	Best Batsmen: R Burke Best Bowler: M. England Players Player:Y. Abdalla

NB: Mrs Kings 14B - Change of grounds this Saturday

Our 14B’s travel to Lithgow this Saturday. Mrs King is organising travel for these boys. The game is now being played at Tony Luchetti Sports Oval. If it is rain affected then go to Glanmire #2.

Good luck to all teams and remember to enjoy what you do.

Mr John Welsh

MIC cricket

CRICKET REPORTS—27 OCTOBER 2018

TEAM: 1st XI

COACH: Tony Fisher

OPPONENT: Oakhill College

BEST BATSMAN: Ryan Cooke 39

BEST BOWLER: Bailey Brien 2/2

SCORE: 158 – 143 WIN

Coach’s Report: The trials have been completed, the side selected with three debutants on show and the 1st XI were ready to host Oakhill College in round one of the ISA competition. Ben Mitchell was selected to lead the new side and had his first win of the day, with the coin falling his way; choosing to bat first.

It was a promising start to the innings with eight runs coming from the first over. Sam Hall and Bailey Brien looked in control of the situation until a ball moved so sharply off the pitch, Brien had no time to get his bat out of the road and a freaky catch was taken in the slips. The run rate from there progressed rapidly as if the boys were back playing Berg Shield. Ben Mitchell (20) lost his wicket in the 7th over with the score on 39 and by the time the 18th over came around, the score was 7/84. Hall (33) and Yates (14) got started and their partnership of 35 provided some stability during this time. The youngest member of the team, Tom Lynch (17), and Tim Powell (12n/o) dug in to add another 21 runs to the score. Lynch’s show of generosity to the Oakhill leggie by not offering a shot, bought Ryan Cooke to the crease. At his true ‘swashbuckling’ best, Cooke blasted his way to 39 which included one six that nearly went through the goalposts and hit the scoreboard. His 44 run partnership with Powell, over the space of five overs had turned the game on its head and given the side something to defend. The innings came to an end in the 31st over with the score on 158.

It was a shaky start to the defence with Oakhill nearly replicating our first over scoring seven. After that, Martin Rudgley (1/17) and Jack Goodsell (1/23) settled into a good rhythm and dismissed the opening batsman. After that, Oakhill began to consolidate and Mitchell swung the bowling changes. In his first over of ISA cricket, Aiden Macauley, snavelled his first wicket tempting the batsman wide outside the off stump, only to edge it through to the safe

hands of Matt Beattie. He scored his second wicket before the first drinks break and the game was evenly poised with Oakhill 4/50. A few more bowlers were tried at the other end, until Luke Mutton (2/14) came on with his in swinging medium pacers. In the space of two overs he trapped the batsman in front and continued to keep Stannies in the game. What became the worry for the home team, was the No.5 batsman, who had already caused some damage while he was bowling. He was on his way to the first half century of the day, until he played a punch shot to the mid-off region, looking for a quick single. What he didn't account for was the slick movement and accuracy of Ben Mitchell, who swooped on the ball and hit the only stump he had to aim at. This again bought the game back on an even keel. The short spells of bowling continued and Bailey Brien was the next to benefit from this as Oakhill moved past 100, with three wickets in hand. In his second over, he clean bowled two batsmen in a row to put himself on a hatrick. However, the No.11 batsman held his nerve and for the next nine overs continued to thwart the bowlers and moved closer to the required total. In the 37th over, however, Macauley came back on and forced a false shot from the batsman who popped the ball into the safe hands of Mitchell to clinch the win for Stannies.

It was a close call with Oakhill falling 15 runs short and a game that the Stannies boys got away with. However, there were many positives, which included the picking up of a bonus point for bowling Oakhill out before the 40th over. This week the 1st XI take the long road trip to Central Coast Grammar who will be determined to hit back from a loss last week.

TEAM: 2nd XI

COACH: Mark Elliott

OPPONENT: St Patrick's Strathfield

SSC SCORE: 48

OPPONENT SCORE: 195

BEST BOWLING: Ethan Muller 4/26

BEST BATTING: Hugh Croker 9

Coach's Report: The Seconds squad has looked strong in the pre-season and despite the step up to Division 2, the team has its sight set squarely on semi-final action once again. The 2nd XI's first game of the season was a road trip to Strathfield to take on St Patrick's 2nds. Captain Fergus Finn won the toss and opted to take the new ball.

The Pats openers made a quick start despite the best efforts of Oscar Mann (0/34) who looked menacing with the new ball. It was to be one of the young guns in Ethan Muller (4/26) who provided the breakthrough and then ripped through the middle order. Kennedy Brown chipped in with the big wicket, before Riley Comerford (1/11) & Liam Cooke (1/28) also bowled good spells. St Pats did show plenty of resistance and batted well to reach 195 in the 48th over. All in all, the bowling was just a little inconsistent and allowed pressure to be released at crucial times.

It was going to take a big effort in the first round to reel in the 196 required. A mixture of determination, partnership batting and quality stroke play was needed. Unfortunately, for Stannies the St Pats bowlers were very disciplined and bowled with great skill to have us in trouble early. We were never able to recover after the early onslaught and were bundled out in quick time. Despite the disappointing batting display, the boys showed great sportsmanship and represented the College with pride.

While losses are never good, there was still plenty to like about the Stannies performance. I'm sure the batsmen will have been working hard at training to continue to 'blow out the cobwebs' and be ready for our first home match this week against Oakhill.

TEAM: 3RD XI

COACH: Kate Bonny

TEAM: 15A

OPPONENT: 4TH XI

Saturday saw the first round of cricket complete. Whilst the 15As remained in control of the game, it was a nice introduction to the season playing the SSC 4th XI. This allowed the members of the team to get to know each other's game style and settle back into cricket. It was enjoyable playing against the SSC 4th XI. These young men have much potential and we look forward to playing against them later in the season. I am sure that the seniors in the team will lead this team well and step up to the challenges ahead.

The 15A's took the game out winning on first innings. There were some fine performances on Saturday, Sean Donato (rtno 50) and Will Brown (rtno 32). Our bowling saw Ethan Comerford step up and take an impressive 3/20 and Will Poole bowled very consistently and gained a respectable 2/7.

Snow and I are looking forward to witnessing this team build together strongly and refine their individual skills. There are many areas to improve on and the all the boys under Snow are learning every training session.

This weekend sees us take on RUCC at George Park 1. Good luck!

TEAM: 15B

COACH: John Welsh

OPPONENT: Centennial Bulls

Coach's Report: Regardless of a first innings loss, that was based on a poor batting performance the week before, the 15Bs improved significantly in the second week of this game. Resuming at 9/78, Mal Bartlett and Marcus Giuliano looked invincible with the bat showing maturity beyond their years to progress the score to 143. The only way they were going to get out was through their own error and this unfortunately occurred with a poorly executed run out. Regardless of this, they were able to place the team into a position where we could place some pressure on the opposition. Some early wickets resulted in the players gaining some confidence however, Centennials are to be congratulated on withstanding the pressure and prevailing with a first innings win. The experience gained from this game will hold them in good stead as they travel to All Saints this weekend.

TEAM: 14A

COACH: Danielle Whyte

The 14A's finished off round one with an outright win against SASC Mark Waugh Team. The team were 7/283 last Saturday and made the decision to declare our innings and put SASC back into bat. Hayden Goodsell finished on 51 not out and we had a number of great wickets from Jack Heffernan and Tom Lemmich. Liam Cain, the Team Captain, also took two catches, which saw the SASC team all out for 36.

TEAM: 14 BLUE

COACH: Ros King

Coach's Report: Saturday 27th October saw us take on Blayney at Learmonth Park. Our team numbers were hit hard by illness this week and I thank Will Barrett, Tyler Sharwood and Chris Piggott for stepping up to fill some of the empty spots. Unfortunately, we were only able to field seven players but these boys were superb in their approach to the game. Iggy Adamson stepped up to be Captain and he improved on his previous week's score with 17 runs and bowling figures of 1/16. Tyler Sharwood took an amazing catch in the field and was not out for five. Will Barrett displayed talent with the ball, with bowling figures of 2/18. With Blayney fielding a full complement of players we knew they were always going to be tough to contain and the final score was Blayney 5/192 and

Stannies 14Blue 6/42. Chris Piggott and Lachlan Carter each got a wicket. Well done boys on a good game in difficult circumstances.

TEAM: 13 WHITE

COACH: Steve Jessett

BEST BATSMEN: R Burke

BEST BOWLER: M. England

PLAYERS PLAYER: Y. Abdalla

Coach's Report: With the opening bowlers taking on four overs each there was plenty of opportunity to see what England (1/9) and the economical Kennedy (0/6) could do with the ball. And the boys responded well to this challenge by producing quality line and length bowling that pinned down the RUCC openers. The man who really got amongst the batsmen was Abdalla (2/26). With his customary whirlwind action mesmerising the batsmen, his two wickets couldn't have come at a better time in the match and RUCC looked to have the jitters. However, the Stannies boys were unable to capitalise on this effort and it seemed the opposition had saved their best batsmen until late in the order. With a series of big hitters ensconced at the crease, the effort in the field was laudable from the boys. Macfarlane (1/3) took one of these better batsmen late in the innings ably assisted by England with a great catch. In the field the ball was chased to the very end, half chances were converted into near misses and the keen manner with which the boys approached their fielding was very pleasing. This is apparent when we consider the 13 White took three times as many catches as the week before. Other bowlers to turn in a good spell were Burke (0/14), Bartlett (0/15) Stocks (0/13) and Green (0/18). The RUCC batsmen left 178 runs to chase - a large total for the developing batsmen of the team.

In a much improved batting performance the 13 White openers put together some solid knocks in their second match of the season. Brown managed to take the shine off the bowling attack in partnership with Said (9) that let the opposition know that the Stannies boys were here to play. Unfortunately, MacFarlane (2) saw his stumps rattled all too early after a promising start, but this put England (20) at the crease with Said and thus began a very solid partnership that steadied the ship. The boys were instructed to go after the runs and they managed to turn what looked like a meagre innings into a satisfying display with the bat. Following Said's departure, the big hitting Burke stamped his mark on the game by clubbing three four's to the fence and combining well with England to run hard between the wickets for those all-important singles. However, at the close of play the total from RUCC proved to be insurmountable for the team.

One thing that stands out about this team is the very quick way they are starting to produce quality cricket and the team spirit that is developing alongside it. The future for the boys lay in working on the parts of our game that require work, furthering these areas where we are experiencing success and most importantly spending a glorious morning with family and friends.

Thanks also to Mr Kennedy for his steadying influence as umpire and to the many parents that spend their morning enjoying the 13 Whites playing cricket.

BASKETBALL REPORT – 26 OCTOBER 2018

TEAM: SSC BOUNCERS

COACH: Mr Greet

OPPONENT: SASC Blue

BEST PLAYER: Cooper Davis

Coach's Report: With so many Year 7 boys keen to play basketball, the old SSC Bouncers have been resurrected. This team plays in the downtown competition on Friday night. The aim is to have fun and develop their skills. The competition is for Year 7 and 8 and on the evidence so far, contains a number of more experienced teams.

This week was the first competitive game. The improvement from the trial game last week was evident. Cooper, Charlie and Tony competed strongly in defence and fought for every rebound. Nick and Lachlan showed some nice shooting when they had the opportunity and worked hard to chase their men. Jack, Mason and Mitch are still learning the game, but their enthusiasm and effort were clear for all to see. Although the final score was not in their favour, they kept their heads up and played as hard as they could. With more practise and game time, I look forward to seeing some positive results in the coming weeks.

BASKETBALL REPORTS—27 OCTOBER 2018

TEAM: 15s

COACH: Melissa Lang and Nick Mockler

OPPONENT: St Greg's

MOST COMMITTED: Cooper Wright

SCORE: 48-26 WIN!

Players Report: Good start to the season with a convincing win over St Gregs. The game began with a quick pace set by Garang Diing and the defence lead by Jaylen Boer to give us a 20 point lead with no points scored on Stannies before the halftime siren. Our bench came on and did an outstanding job with keeping the tempo going led by Patrick Kelly. Daia Elgondi and Deng Diing were constantly hustling for the ball, while Cooper Wright protected the rim. Hayden Maher and Sam Cantrill never failed to impress the team with their fancy shot fakes. Nick Parnell proved his role as captain by guiding the team when we were lost. Jackson Tapu led the team in offensive rebounds, which for most people would not be a surprise if you have seen the size of him! Overall great first game for the boys and all the best next week for their home fixture against St Spyridon's college. *Garang Diing and Jaylen Boer.*

TEAM: 14s

COACH: Michael Pugh

OPPONENT: St Gregory's Campbelltown

SCORE: 27 – 26 WIN

Coach's Report: After the many weeks of training that commenced last term, the 14s were keen to test their mettle on court for our first round of the season. Last Saturday, we headed to Campbelltown to take on St Gregory's in their excellent facility.

The game commenced cautiously for both sides until Jacky found his first hoop and Caden had the opportunity for a free throw. Our opponents managed to rally though and a three-pointer in the closing minutes of the first half saw us trailing one point to their 14.

With plenty of substitutions and lots of grit we were able to find our way back for a bit of lead switching through the second half. Our goals came from Jacky, Caden, James, Ciaran and Mitchell with valuable assistance from Ruben, Hamish, Corie and Sam. Mitchell's second goal clinched the one-point lead for us in the last minute. Jacky scored 12 of our 27 points against the 26 for St Greg's.

Congratulations for the 14s for their first-round win. It was a pleasure watching them work tightly as a team so early in the season.

TEAM: 13s

COACH: Ian Greet

OPPONENT: St Gregory's

BEST PLAYER: Joshua Whitley

SCORE: 24-27 LOSS

Coach's Report: What a start to the season! An epic encounter between two well-matched teams. The lead changed hands all through the game and the difference in the sides never exceeded a handful of points. Our team is not the tallest, but we have a good level of skill and a lot of speed. Jack ran the offense well and created a lot of good opportunities. Angus was a pest all day: dribbling hard and drawing fouls and making sure his opponent

never had time on the ball. Jackson and Mitchell performed their roles wonderfully well at both ends of the court. Tom and Kieran came off the bench and maintained our intensity in defence as well as pulling in rebounds and passing in offence. The star of the day was Josh: using his height to great advantage, he won rebounds all day, blocked shots and scored more than his share of points. But he was only able to do this with the help of his team who recognised the mismatch and fed him the ball in great position and also picked up the crumbs in defence. It was disappointing to lose the game in the last minute, but the spirit and effort of the boys was magnificent and should give us a lot of confidence this weekend against St Spyridon (12pm if you are free!).

TENNIS REPORTS—27 OCTOBER 2018

TEAM: BLUE

COACH: Linda Zarczynski

OPPONENT: SASC Red

Coach's Report: We have had great interest in Tennis this year and last weekend gave us some time to arrange teams. I would like to welcome the existing Blue Team members back, as well as the new players to tennis. The Blue Senior members consist of Hugh Wilkinson, Ben Thompson, Frank Brown, Grayson Haynes and stepping up this year is Sam Parker. The Intermediate Team includes Bill McDonnell, Nick Keogh, Jacob George, Will Windsor, Robert Van Gend, Cha Mongta-Cruse, Oscar Ward and Brayden Omoeboh. The Junior Team are a small group of young men consisting of Alistair Scott, Fintan Sinclair, Sebastian Collins and Matthew Parsons.

This weekend saw the official start of the ISA Tennis competition. The Blue team took on the newly combined SASC Red team at The Scots School courts. For some players, their muscle memory needed a re-boot, for others there were a few nerves as they played their first ever tennis game. Stannies Blue Team successfully beat SASC Red in the Senior and Junior competition with an impressive score of five sets to one to the Seniors and four sets to two to the Juniors. The Intermediate Team was narrowly defeated 23 to 25 games, a closely matched group of men showing great skill.

Due to the increased numbers of tennis players this year, we have split the training sessions. Tennis training for Blue and White Junior Teams and Intermediate White Team will take place on Tuesdays after school. Tennis training for White and Blue Senior Teams and Intermediate Blue Team will take place on Thursdays after school. A note to the new players this year, to check if the tennis has been cancelled due to bad weather, please listen to radio station 2BS on 1503 AM at 7:30 am on Saturday mornings. A big thank you to the boys who played last weekend. We now take on KWS Blue in Orange at Wade Park. Be there for 9am for a 9:15am start.

TEAM: WHITE

COACH: Brendan Kleinschafer

Last weekend was round one of the ISA Tennis competition. SSC White played the higher ranked All Saints/Scots team. We began very well with all boys not really showing too many nerves. The errors we made were generated by the simple things - like not moving early and anticipating the ball, not watching the ball and trying to hit a low percentage shot too hard.

The SSC White team won the weekend convincingly. Final Scores were:

- Seniors 6 matches to 0
- Intermediate 5 matches to 1
- Junior 4.5 matches to 1.5

Most valuable players were:

- Senior - Jack Gillespie
- Intermediate - Sam Reen
- Junior - Will Arnold

All boys played with a great attitude showing sportsmanship and humility. We will work on our game over the week and look forward to taking on the other All Saints/Scots team this weekend.

2018 HSC Written Exam Timetable • Week 4
