

ST STANISLAUS' COLLEGE

Year 9 Electives

2021

The Transition to Stage 5

- NESAs begin to collect information about student performance- RoSA (Record of School Achievement)
- Increased responsibility and maturity
- Beginning to form patterns of study

Decisions, decisions, decisions

- Choose subjects you are really interested in
- Choose subjects you are good at
- Remember, YOU are the one who has to do the classwork, homework, assignments, study, tests, ...

Good Reasons for Choosing a Subject

- These subjects may provide a solid base for HSC study.
- These subjects will give me the best all-round education.
- My experiences from Years 7 and 8 have stimulated my interest.
- I haven't experienced the subject, but it sounds interesting.

Years 9 and 10 Compulsory Subjects

- Religious Education
- Mathematics (Graded courses)
- English
- Science
- PDHPE
