YEAR 10 REVIEW

What are your current academic goals contained in your Personal Learning Plan?

According to your Term 1 and Semester 1 Report, which goals are you meeting?

According to these Reports, in which subjects are you working hard and making progress and in which subjects are you required to improve?

How are you making a contribution to your Tutor Group?

In what ways are you currently contributing to the life of the College?

What plans have you already made for your Work Experience?

LOOKING FORWARD

What are your goals for Years 11 and 12?

Why do you want to complete your education at Stannies?

Do you currently have any goals for your future beyond Year 12? If so, what are they?

What reasons/criteria are you using to choose your Year 11 subjects?

What support or advice do you think you may need in this planning/decision making process?

What support do you think you may need in responding to the requirements of Years 11 and 12?

What changes do you think you will need to make to meet the requirements of the HSC?

What changes do you think you will need to make to meet the expectations/standards expected of a senior Stannies student?

What contribution will you make to the College in Years 11 and 12?
